http://razvancoloja.com  
born in 1979  
married

My name is Răzvan, I am 39 years old. I have published about 600 technical articles in printed magazines (Linux Magazine, Ubuntu User Magazine, CONNECT, MyLinux, MyCOMPUTER) and tech sites (linux.com, linuxforums.org and others). Psychology articles in some magazines aimed at the general public (Psychologies for example). I actively maintain my own column "Bihoreanul's Psychologist" on Bihoreanul's weekly newspaper's website. More about the way I think and what stirs up my interest on my blog and author's website [razvancoloja.com](http://razvancoloja.com). I also maintain [psihoradea.com](http://psihoradea.com) with Psychology articles (160+ texts for now). [coloja.com](http://coloja.com) is my private practice's website

## Hobbies

I dedicate my spare time to reading and writing. I like transgressive fiction, Sci-Fi, Sociology and History. I like writing IT&C and SPSS tutorials, Psychology articles and novels. I listen to rock music, nihilist pop, dark ambient. I fancy weird old movies. Cooking relaxes me. I am fascinated by totalitarian regimes, the micro-society of prisons and Consumerism. Interested in Linux, scripting (BASH, Python, R) and server-side IT security. I like elnk technology in eReaders and crafting necklaces from epoxy resin. I play the piano a bit, absolutely love guinea pigs and reading about North Korea's society/economy.

## Books I have published

"The Ant Factory" (2009) Vremea publishing house [Romanian novel];  
"Red Harvest" (2011) Herg-Benet Publishers; (2017) Crux Publishing (re-edited) [Romanian novel];  
"Soldiers of Turpentine" (2015) Crux Publishing (special prize winner, "Vasile Voiculescu" National Contest of Literary Creation, 26th Edition, 2015); re-edited in 2017 [Romanian novel];
